

ALLOW US TO INTRODUCE A NEW WAY OF THINKING ABOUT POOLS

# SENSATION

# FEATURES AND BENEFITS

The above, semi and inground swimming pool

## The Sensation is perfect for all backyards, including yours!

The Sensation's flexibility means that no matter what type of backyard you have - small, hilly, sloped, flat - you will find an installation style to enhance your yard and your lifestyle. Whether you choose to install as an above, semi or inground pool, your family will enjoy years of outdoor fun.

In addition to meeting and fulfilling all your needs and desires, the Sensation is constructed with high quality structural components that are durable, long lasting and corrosion resistant.

### FEATURES AND BENEFITS

- Saltwater friendly so you can use modern automatic technology to have safe and comfortable water.
- Inner and outer pool walls are made from 5052 aluminum and are suitable to be buried in the ground.
- Walls contain EPS foam insulation with R10 heat retention and are protected against insect infestation.
- Insulated wall panels offer superior heat retention, which can save up to 25% on annual heating cost.
- Lifetime warranty on pool structure.

# BUILD YOUR SENSATION TO MATCH YOUR BACKYARD AND PERSONAL STYLE

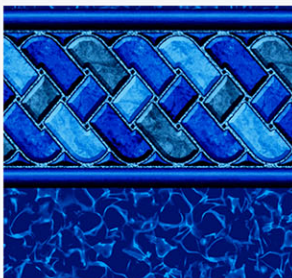

CONCORD

GOLD CREEK

LEXINGTON

NORTH FORK CREEK

PLATINUM CREEK

WILLOW CREEK

Add a premium vinyl liner to enhance your Sensation's look. You can have a worry free swim knowing your liner is under warranty for up to 25 years - the best in the industry. The Sensation liners are clean in appearance and offer colorful designs. Finding a liner that matches your style is easy.

## LED LIGHTING OPTIONS

Ask your Sensation authorized dealer about LED lighting. Accent lights can easily transform your backyard with the flip of a switch. You will create a glowing aura for your pool and yard, adding to the beauty.

LED lights can also last longer than incandescent lights - reducing overall maintenance costs.

## LINERS AND LIGHTS

Add a stylized liner or LED light to your pool and yard

# SENSATION

ABOVE, SEMI AND INGROUND INSTALLATION

With its exquisite beauty and contemporary wall pattern, the Sensation is the answer to your backyard dreams

## ENDLESS OPTIONS

The Sensation offers unique finishing options whether adding LED lighting, steps or a ladder. Do you have plans to install a deck or a deep end? The Sensation can do that too! Ask your authorized dealer about the beautiful finishing options available.

Every component of this salt water friendly pool is uniquely created using the latest technological advances. The best part of the Sensation is that installation is a breeze. You'll be enjoying your new pool in no time!
